I committed to stay late today. At one point they were talking about a Wilcox meeting at 3:15 and now it says South Cavalcade, so I'm confused. I have the radiation meeting at 2-3, I'll stop in at the CES after that. It was supposed to originally be with Ben and Ronnie and now it is with Deb Greenwell, and supposed to be a Document review so I'm confused about that also. My CIP is up to date just needs some format adjustment.

Hi Bill: See Carl's agenda for today below. Will you be going to the CES meeting? S. Cavalcade is at 3:15pm... If you need me to cover for you for S. Cavalcade, send me some bullets on CI "next steps/plans" and I'll do so.

Thanks.
